

## **ENHANCED BLANKET PURCHASE ORDER (BPO) IN PRODUCTION**

Effective September 9, 1996, Enhanced Blanket Purchase Order (BPO) will be in Production. Agencies who will need to use the new functionality will require modifications to their User Security Profile.

The necessary security changes and other specific instructions will be covered in detail in the Workshops scheduled for August 23 and August 26. **It is imperative for users who create BPOs to attend one of the workshops.**

If you have not received an invitation to attend one of the scheduled BPO workshops, please call the MAIN Training and Communications Division at (517) 241-7726.
